

CALL FOR APPLICATIONS FOR "MASTER'S LEVEL EXCELLENCE SCHOLARSHIPS" 2025-2026

- open to any student with a French or
foreign university degree –

Launch of the call: Thursday, November 7, 2024

Deadline: Friday, April 4, 2024

Results: Thursday, May 15, 2024

CONTEXT

Formal, Physical and Engineering Graduate School and Research (also called **SPECTRUM Graduate School**) offers a **top-level multidisciplinary education at master's and doctorate level**, often taught in English, rich in theoretical knowledge and practical applications in **mathematics, physics, astrophysics, earth sciences, chemistry and engineering**. SPECTRUM is seeking to attract the best students to its academic programs.

The Graduate School is therefore offering excellence scholarships to very high-level Master 1 or Master 2 students interested in applying. These scholarships aim **to develop the attractiveness of all the master's programs of the Graduate School and increase their national and international visibility**. The call for applications is therefore aimed at any student with a French or foreign university degree.

These merit-based scholarships will be awarded for the 2025-2026 academic year. **Each scholarship amounts to 1,000 euros per month for 10 months** (September to June). Non-EU scholarship recipients will not have part of their registration fees reduced to a level comparable to those of EU students. For information, these amounted to €3879 for the 2024-2025 academic year.

The funding granted by SPECTRUM cannot be combined with other merit-based scholarships funded by Université Côte d'Azur.

MASTER'S DEGREES OF THE FORMAL, PHYSICAL AND ENGINEERING GRADUATE SCHOOL (SPECTRUM GS)

Students in work-study and apprenticeship master's programs are not eligible for these scholarships.

[SPECTRUM master's degrees](#) that qualify for these scholarships:

- **Molecular Chemistry**
 - Molecular Chemistry – 1st year¹
 - Medicinal & Bioorganic Chemistry (MedBioChem) – 2nd year¹
- **Mathematics and applications**
 - Fundamental and Applied Mathematics (MFA) – 1st and 2nd year¹
 - General Mathematics for Teaching (MATH AGREG) – 2nd year
 - Mathematical Engineering (IM)* – 1st and 2nd year¹
- **Fundamental physics and applications**
 - Master track in Astrophysics (MAUCA) – 1st and 2nd year¹
 - Waves, Atoms, Matter (OAM) – 1st and 2nd year¹
 - Optics, Photonics, Telecom, and Instrumentation (OPTIQ) – 1st year
- **Earth and planetary sciences, environment**
 - Development, Geotechnics, Engineering (AGI) – 1st year
 - Geophysics, Geology (2G) – 1st and 2nd year

¹Master's program partially or fully taught in English.

*Excluding apprenticeship courses.

ELIGIBILITY

Students who meet the eligibility requirements can apply for a scholarship for the first or the second year of the master's degree for the 2025-2026 academic year.

1) Any student with a bachelor's degree equivalent to the French L3 obtained from a French (including UniCA) or foreign university and applying for one of the Graduate School's master's degrees (see list above) is eligible for the merit-based M1 scholarship. There is no age limit or nationality requirements for applying for these scholarships.

The scholarship awarded to a student in the first year of the Master's degree can be renewed in the second year if the student's results are satisfactory. However, it will be necessary to re-submit an application.

2) Any student with a degree equivalent to the French M1 obtained from a French or foreign university and applying for the second year in one of the Graduate School's master's degrees (see list above) is eligible for the M2 scholarship. Applications from current UniCA master's students will not be accepted. There is no age limit or nationality requirements for applying for this scholarship.

TIMETABLE

- Launch of the call: **November 7, 2024**
- Deadline for submitting applications: **April 4, 2025**
- Notification of scholarship recipients: **May 15, 2025**
- Deadline for accepting the scholarship: **May 20, 2025**

APPLICATION

To apply, send a single "zipped" file by email to eur-spectrum.aap@univ-cotedazur.fr with the following subject: "Application for Master's Excellence Scholarships" before April 4, 2025 containing the following documents:

- A Curriculum Vitae no longer than two pages.
- A cover letter describing how the choice of the degree corresponds to your personal and professional career goals, and if applicable, showing how your doctoral project matches the research themes of UniCA laboratories.
- The transcript and rank for each year of your bachelor's degree and possibly of your master's degree (translated into English or French for foreigners). For foreign transcripts, an explanation of the grading method would be appreciated.
- The detail of courses taken in 2024-2025.
- A letter of recommendation from your last department head and a letter of recommendation from one of your professors. These letters should be sent directly by them to the email address specified above and with the same subject. Recommenders

must also provide their contact information.

- The master's degree and track for which you plan to apply.
- A copy of the applicant's passport.
- Image rights authorization (optional).

Foreign applicants are usually required to follow the *Etudes en France* procedure to obtain a visa. **If you are awarded one of our scholarships, you will be exempt from the *Etudes en France* deadline of December 15, 2024.** You can still apply for one of our scholarships, even if you have not submitted your application to *Etudes en France* within the deadline.

APPLICATION EVALUATION

Applications will be evaluated according to the following criteria:

- The excellence of the applicant, as reflected by his or her previous university record. The applicant must have demonstrated a particularly high academic level.
- The student's motivation and how his or her profile corresponds to research and innovation requirements on the Côte d'Azur. His motivation to pursue a thesis in a laboratory of the Graduate School will be particularly appreciated.
- An interview of the candidate may be scheduled (via videoconference with webcam) if necessary.

SELECTION OF APPLICATIONS

- Administrative approval of applications (*see paragraphs "Eligibility" and "Application"*).
- Approval and shortlisting of applications by the head of the relevant master's degree.
- Ranking of applications by the SPECTRUM Graduate School Scientific and Pedagogical Subcommittee on the basis of the evaluation criteria mentioned above in the paragraph "*Application evaluation*".
- Selection and approval of applications by the SPECTRUM Graduate School Steering Committee.

SCHOLARSHIP ACCEPTANCE

Selected applicants must confirm acceptance of the scholarship within 5 days following notification. They are automatically accepted in the master's degree mentioned in the application, but **nevertheless need to complete all the administrative enrollment formalities.** **These need to be completed within eight weeks maximum** depending on the date of acceptance of the scholarship.

If the candidate fails to meet the deadlines (*see paragraph "Timetable"*) or refuses the scholarship, it is offered to the next shortlisted candidate.

APPENDIX

AUTHORIZATION FOR

IMAGE RIGHTS / TRANSFER OF IMAGE RIGHTS

I, the undersigned (First name, Last name)

Residing

Email:

Mobile phone number:.....

Declare that I am 18 years of age or older and can sign this form on my behalf.

1) **Authorize**

Do not authorize

Université Côte d'Azur, through its EUR SPECTRUM, hereafter referred to as
"Université Côte d'Azur":

to film or photograph me during the educational activities of EUR SPECTRUM (texts, sounds, images) for reproduction on any type of publication for the purpose of conservation, broadcasting and/or representation by live or recorded television broadcasting on all or part of the various external and internal communication media of Université Côte d'Azur, currently available or to come, and which are listed below:

- Université Côte d'Azur website.
- Paper, computer, educational and digital media.
- Presence at events.
- Publicity aimed at promoting Université Côte d'Azur and its associate institutions.

These materials are intended for non-commercial distribution to our target audiences (partners, students, faculty, etc.).

This authorization is valid for a period of 5 years and is granted free of charge and exclusively for purposes of information, training, education and research.

This use must not infringe on my right to privacy or reputation or be for any other harmful use.

2) I agree to make every effort to give an interview (radio, audiovisual, written) and/or a testimony (event) during the academic year.

Signed in 1 copy, at..... on
